

**Welcome, Klein Bearcats and Parents  
to the 2008 Football Season!!**

**Head Coach  
Stan Labay**

Dear Bearkat Parents:

You are entrusting your son to the Klein High School Football Program. We take this responsibility very seriously. Our goal is to prepare your son to be a responsible team member and to develop good work habits for the future. Football is a game that requires discipline, team work, commitment and toughness. We ask that you help your son to meet all challenges, to not quit, and to be unselfish. Football is the ultimate team game that requires eleven people on defense and offense to work together every play to achieve success. The rewards of this game are everlasting.

We ask for your support throughout the season. We will monitor grades and ask that you require school work to be completed on or before the teachers' due dates. Our teachers are very supportive if students give effort and maintain discipline in class. Please check on your son's progress regularly.

Athletics is meant to aid in the development of a well-rounded individual. Help us by encouraging participation and allowing your student athlete to handle wins and losses without excuses or blaming others. Praise our successes and encourage us in our losses. Most of all – **WEAR BLUE** and yell loud!!

***GO BEARKATS!***

*Stan Labay*

Head Football Coach and  
Assistant Athletic Director  
Klein High School Athletics
