

Klein Football 2008 Honors Players for Play and Playoff Season

The Klein Varsity Football team and Coach Stan Labay made the playoff for the 3rd straight year in one of the toughest districts in the state, posting a 4-4 win / loss record due to the Hurricane Ike shortened season. The Bearkats finished the 2008 football season with a strong showing in the 5A playoffs, losing to powerful Lufkin on a long pass play with under a minute to play.

The Kats held their post-season annual football banquet on Sunday, December 6th, and Coach Labay showed the team highlights video and characterized the team's personality as scrappy and hard working. He congratulated the Seniors on a fine season and their careers as Bearkats.

Coach Labay reported the state of the program is strong with over 220+ players in the football program and a strong contingent of returning varsity players and strong sub-varsity feeder programs. The JV Blue and Freshman Blue both won the District 13 championships. The returning players are already at work in the off season program preparing for Spring Football in April/May 2009.

Post-season honors were passed out and each varsity player was singled out for their individual contributions by Coach Labay. Also, each Coach was thanked by name and presented with a gift from the Klein Football Booster Club (KFBC) for their dedication and hard work with the players.

“Doc” Lancaster was acknowledged for his special work with the team as Trainer at Klein High School. Doc Lancaster is retiring after this school year. Mac Langston was also thanked for his support and dedication to the football program at Klein.

Special thanks go to all the Klein Football Boosters, Sponsors and Volunteers that provided so much work, effort and service to support the Klein Football program and the banquet this year.

The KFBC wishes to make a noteworthy mention for an outstanding job to outgoing President Stu and Mia Crum for their leadership of the KFBC the past 2 years. Stu and Mia are staying on as Board members next year as they support the 2009 team and QB Clayton Krum.

The Chronicle “All Greater Houston Football Team” announced for District 13-5A
