Primary Objective of the KHS Football Booster Club: *To establish a proactive passionate Football Booster Club that will serve to enhance the Klein Bearkat tradition, build support and enthusiasm within the community and provide for the needs of our players and coaches. The Klein coaching staff and players work hard each season and off-season to develop the skills, character, and heart required to be a championship caliber team...the Booster Club organization will provide financial and moral support to assist in this effort.*

*To achieve this objective, we encourage all parents to become a member of the Klein Football Booster Club and to get involved in at least one major activity: Fall Golf Tournament, "Meet the Bearkats", Spirit Item Sales, etc. **The money we raise goes to supplement the budget from KISD and helps to cover expenditures for items such as practice equipment, uniforms, electronics, and most recently a "state of the art" weight room and "wall of honor" honoring distinguished Klein alumni who have played at the college and pro football level.***

Parental involvement, including a financial donation, is naturally not a prerequisite to student participation in any Klein High School activity. Your decision to become a KHS Football Booster club member is optional. Your support would be greatly appreciated.
